

PRODUCT END-OF-LIFE NOTICE

This EOL is after the streamlining of Nordic ID product portfolio.

As there is a large base of installed Nordic ID Sampo S2 and Sampo S2 One-series devices, we have made sure that the transition to the new device will be completely transparent to existing deployments, as they will share the same APIs and communication interfaces.

We realize that a product discontinuation may cause some inconvenience to our customers. Our sales and technical support teams are ready to help during the transition and answer any questions about our products and solutions.

And of course, if there is still some need to purchase Sampo S2 devices to make this transition smoother, we will be still delivering those until 08.12.2023 (see EOL timeline below).

NORDIC ID SAMPO S2 END OF LIFE

AFFECTED PRODUCTS	
NPG00003	Nordic ID Sampo S2 Reader / UHF RFID* (USB / LAN 10/100&PoE)
NPG00012	Nordic ID Sampo S2 Reader / UHF RFID** (USB / LAN 10/100&PoE), Japan

No replacement	

EOL TIMELINE

MILESTONE	DEFINITION	TIMEFRAME
EOL (End-Of-Life)	The date when Nordic ID makes a public End-Of-Life (EOL) announcement of a product.	08.09.2023
LTB (Last-time-to-buy)	The last date to order the product (LTB). The product is no longer for sale after this date.	08.12.2023
LPS (Last-possible-shipment)	The last possible date that Nordic ID will ship the affected product. Actual shipping date is dependent on lead-time.	08.02.2024
EOSOF (End-of-software-maintenance)	The last date that Nordic ID may release any final software maintenance releases or bug fixes. After this date Nordic ID will no longer develop, repair, maintain or test the product software.	08.02.2029
EOS (End-of-services-and-support)	The last day to receive service and support for the product. After this date, all support services for the product are unavailable and the product becomes obsolete.	08.02.2027

Sincerely yours,

Paul Murdock
Product Manager
